

So teach us to number **our days**  
that we may gain a heart of

**wisdom** - Psalm 90:12

- 
1. What is taking up more time than expected?
  2. How many weeks and days of summer are left?
  3. How would we like the rest of summer to be different?
  4. What else is important for our family to include in summer?
  5. How can we plan to experience these important summer things before the season changes?
