Dear Sister and Ministry Leader,

YOU are such an important part of God's big story in our generation! YOU are on the front lines of making an immediate and eternal difference in the lives of women right there in your church, in your community and around the world.

That's why I'm reaching out to you and introducing you to The MOM Initiative - because we are in this together - we are on the same team - and I'm hoping we can link hearts and hands to reach moms who don't know Christ and minister to the hearts of those who do right there in your church and community.

The MOM Initiative is a ministry that was created to help you minister to moms in your church, in your community and across the world through the power of **missional mentoring**.

I'm not sure if you've ever heard about missional mentoring, but we discovered that **if 3 women in 1/2 of the churches in the United States would mentor just 3 moms, we could literally impact a MILLION MOMS for CHRIST** - and that would mean we would **also impact over 2.5 MILLION CHILDREN as a result!**

Because moms mold the heart of the next generation, we can influence our communities and this culture for Christ through the power of missional mentoring and **YOU CAN BE PART** of the **REVOLUTION** of **ministry leaders and missionaries around the world who are making a huge difference by mentoring moms.**

You see, if we reach the moms of this generation, we can reach the heart of the next generation. And if it's true that the hand that rocks the cradle rules the world-then the church that mentors those hands will win it.

*I've been involved in women's ministry for over 25 years and I wanted to develop an **EASY, INEXPENSIVE resource and plan that would help make mentoring moms in your church and in your community very simple, un-intimidating, and something that could be tailored to your church's volunteer base and skill set.***

That's why The MOM Initiative exists... to come alongside of you and provide the resources, support and training you need to weave mentoring into the fabric of your church or to enhance the mentoring ministry you already have.

Included, is our premier all-in-one resource, ***The Making of a Mom***, along with information you begin mentoring moms of ALL ages and stages through what we call, MOM Groups.

that can help

We make it easy for you to change the world one mom at a time and we are asking you join the revolution of women who are ready to step into their Titus 2 shoes and make mentoring missional.

Will you take a few minutes and review the book and material enclosed and contact me if you have any questions or if you'd like to know more about how to begin a MOM Group in your church and/or community? I'm also available to speak to your ministry team or at your next event. (My cell number is 904.343.7400)
